Forecast for Thursday 08 Jul 2021

Weather: Cloud breaking further overnight this leading to a dry sunny start to the day for most, and some patchy cloud. The cloud will build up throuigh the day and while most will stay dry a few well scattered showers may break out in the afternoon. The Ochils and Perthshire Hills will stay clear in the evening but the north will be cloudy with some hill fog developing.

Chance of cloud free mountain/hill tops above 800m: 80%, falling 30% over the north in the evening.

Visibility: Mostly good or very good with only slight reductions in showers. Poor where cloud starts to lower onto hills above 600m in Aberdeenshire in the evening.
